Means & Browning of this city, proprietors of the Fountain Lumber Company, received twenty-eight loads of lumber yesterday. They ship this lumber to the Eastern markets.

There have been so many new subscribers added in the Fifth and Sixth Wards within the past few days, that the Carrier may overlook some one. If you do not receive THE LEDGER promptly, please notify the office.

A night-blooming cereus in the window at Mr. and Mrs. George Schwartz's home was the means of attracting the attention of all Second street pedestrians. Last evening it had three large blooms of variegated color which were beautiful and bright.

Anderson White, John Judy and F. Perry, Negroes, are in Jail at Flemingsburg charged with breaking into the house of Mrs. Beula Blair near Elizaville. Mason county's bloodhounds trailed White, who confessed to the crime and implicated the rest.

Miss Martha E. Young, sister of Mrs. Jacob Thomas of Fourth street, has a position as stenographer with the R. K. LeBlond Machine Tool Co. of Cincinnati. This firm has a handsome and well arranged dining room where a first-class dinner is furnished free.

Mr. Austin Rosenham Quigly while practicing at the ball park Monday met with an accident that for a time looked serious. In running after a ball he collided with Lee Dinger who ran for the ball at the same time, both coming together with great force. Mr. Quigly was knocked senseless and did not recover for sometime.

We notice a pile of brick in Patton alley between Second and Front, evidently intended for guttering. This is a thoroughfare that is in daily use and instead of patching it, it would be a popular move if the entire passway between Second and Front was paved with brick in its entirety. A nice little street could be made of it for pedestrians alone and the other two alleys could be used for vehicles and heavy traffic. Before making a half-way job of it suppose our City Dads give this suggestion mature consideration and reflection before they begin work as now planned. A good passway here will meet with hearty approval by a large majority of our citizens, we are sure.

Mrs. Maria Stevens is seriously ill at her home on Lawrence creek.

Workmen were engaged all last night in changing the feed wire to the trolley wire.

Miss Florence Pearce Wadsworth will sing for the Flemingsburgers Monday evening.

The regular Maysville delegation will attend the fish fry at the Dover fishing shore today.

John C. Ronan of Covington has been engaged by Murray & Thomas as an expert letterer at their Second street Marble Works. He is also a first-class ball player, and when the Y. M. C. A. Club get in a pinch they can call on him.

Mrs. William G. Walker entertained at dinner last evening at her charming Wallace Place home, Covington, in honor of Mrs. Nelson Fant and Miss Olive Fant of Flemingsburg, Miss May Hord Elgin of this city and Miss Louie Hord of Mt. Auburn.

Henry W. Young of Cincinnati is here on a visit to his sister, Mrs. Jacob Thomas of Fourth street. Mr. Young has been identified with Menter, Rosenbloom & Co., but has resigned his position in order to enter as a partner in Eagle Credit Clothing Co., corner Fifth and Walnut.

Owing to a miscalculation on the part of the railway people the new streetcars have not arrived. They were shipped over the L. and N., and after reaching a tunnel it was found they could not be gotten through, so they were returned to Louisville and will now come over the B. and O. S. W. and C. and O., on which there are no tunnels.

The entertainment given by the Maysville Military Company at the Opera-house was not attended as largely as it might have been. It was an amateur affair, of course, and one did about as well as the other fellow. The singing of Prof. Adams was well received, and deservedly so. The event of the evening was the appearance of Miss Louise Fox of Baltimore, a little lady of about 5 years and granddaughter of Mr. David Hechinger, merchant clothing prince of this city. To say that she took the house by storm wouldn't be stating but a plain truth. Too much cannot be said in praise of her acting and singing. She is simply immense. She is as much at home on the stage and as great a star as her namesake—Della Fox.

SLIGHTLY HURT!

Mr. John Pendergrast Hit On the Head With Flying Timber.

Last afternoon John Pendergrast was one of several placing a heavy motor at the Streetcar Barn.

A tripod was being used in handling the machine, when one of the legs broke, a flying piece of the timber striking Mr. P. on the head, inflicting an ugly scalp wound.

He was able to walk to his home, where Dr. J. D. Davis was called to dress his injuries, which are not serious.

"WUSS AND WUSS!"

How a Fleming Editor Sizes Up a Maysville Situation.

At Maysville Sunday "Jinks" Stockdale, white, shot John Fee, of color, who claims to be from Flemingsburg, in the hip because the latter mistook him for a colored woman.—Fleming Gazette.

Gracious! That's "wuss" and more of it! For be it known, dear Brother, that "Nancy" is the pretty prefix to one of Maysville's 4-11-44 white gentlemen whose surname is something else.

If the unlucky Fee had really mistaken Mr. Stockdale "for a colored woman," it is safe to say that Fee would have promptly headed a procession to the boneyard.

By the way, did you ever know a person with a fancy prefix who was worth three hurrahs in Helena?

THE CONFEDERATE HOME.

Major Alexander Lawson Here in Behalf of This Benevolence.

Major Alexander Lawson of Louisville, who was a brave officer of Kentucky's famous "Orphan Brigade," C. S. A., is in the city in the interest of the Confederate Home at Pewee Valley.

The institution needs money to care for the decrepit old Veterans, and it should be generously given.

When the Home was founded, it was estimated that there would not be above fifty inmates, but this number has been more than trebled. To provide for these has exhausted every dollar of the state appropriation, together with liberal donations from private individuals.

Major Lawson will gladly acknowledge any contributions in aid of this worthy enterprise, and surely no one will begrudge a small sum to aid in making the declining days of the old soldiers peaceful and pleasant.

Any subscriptions sent to THE LEDGER will be thankfully received, duly acknowledged and "placed where they will do the most good."

Mrs. Mollie Allen of South Fork, Ky., says she has prevented attacks of cholera morbus by taking Chamberlain's Stomach and Liver Tablets when she felt an attack coming on. Such attacks are usually caused by indigestion, and these Tablets are just what is needed to cleanse the stomach and ward off the approaching attack. Attacks of bilious colic may be prevented in the same way. For sale by J. Jas. Wood & Son, Druggists.

Mrs. L. V. Davis's Fall line of Millinery is now complete.

The Ripley Fair began yesterday, to continue through Friday.

The State Assembly of the Daughters of Rebeccah convenes September 20th at Louisville.

Too many goods induces us to make a great reduction in price on lines of gold and gold filled watches, diamonds, sterling silver spoons and forks, cut glass, etc.

MURPHY, the Jeweler.

Mr. C. E. Ferguson, as Administrator of Willie Ferguson, has filed suit at Paris against Dr. Wash Fithian, James McClure and Henry Power, Trustees, and the M. E. Church, South, of that city for \$20,000 damages. Mr. Ferguson's twelve-year-old son was drowned in the cistern in the basement of the Church on April 12th, and he alleges that the accident was occasioned by carelessness of the defendants.

Go to Ray's Postoffice Drugstore for Pure Paris Green.

Colonel Morris B. Belknap, Republican nominee for Governor, will open his campaign at Munfordville about the first week in September.

The Board of Education has decided to make the course in the Ripley High School four years, instead of three, as heretofore. This will place the school in the first grade of Ohio schools.

Never compare prices without comparing quality; you will find more difference in quality than you will in price. See our monuments and markers before buying elsewhere.

MURRAY & THOMAS.

Eugene P. Gantt died at Columbia, Tenn., last Saturday. He was insured with Colonel Rosenham for \$235. He was formerly janitor of the Y. M. C. A., this city, and was a colored man highly thought of by his white friends here. He was also well educated.

Hair Brushes and Combs.

The brushes are strong and firm, with mahogany backs and thirteen rows of pure bristles. Made for vigorous service. 50c each, worth 75c.

The combs are the best black rubber, smooth as satin, absolutely odorless. Three styles. Broadly spaced teeth with handle long enough for a good grasp, 50c. Nine-inch combs, half coarse, half fine teeth, Goodyear rubber, 25c. Men's handle combs, with convenient ring for hanging, unbreakable Goodyear, 25c.

Women's \$1 Gloves 50c.

Many women prefer silk to lisle thread or any other fabric in summer. These gloves are particularly attractive—made of pure black or white silk, elbow length with or without lace tops and just half price. There has been enormous selling among these handsome, under-priced gloves and we haven't all sizes in each style and color but you are sure to find something to please you.

D. HUNT & SON.

The Milford Bank of Bracken county has filed articles of incorporation at Frankfort with \$15,000 capital stock.

MURRAY COMEDY COMPANY.

The Murray Comedy Company, which opens a week's engagement at the Washington Opera-house next Monday, August 17th, is one of the best repertoire companies on the road this season. They number twenty-two people and all artists in their respective lines.

Specialties new and novel will be introduced between acts by different members of the company. They have selected for their opening bill "True as Steel," in which each and every member of the company have an opportunity to display their ability. Upon opening night one lady will be admitted free with each paid thirty cent ticket. Seats on sale at Ray's Drugstore Saturday morning.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Hall's Family Pills are the best.

The Rev. J. S. Vanmeter of New York has been called as Pastor of the First Presbyterian Church at Paris.

REPUBLICAN COUNTY CONVENTION.

The Republicans of Mason county will meet at the Courthouse Saturday, August 23d, 1903, at 1 o'clock p. m., to select delegates to the Conventions to be held at Vanceburg August 26th, 1903, to nominate candidates for Judge of the Nineteenth Judicial District and State Senator from the District composed of Mason and Lewis counties. Basis of representation is one delegate for each 50 votes and fraction over 25 cast for Presidential election in November, 1900. W. D. COCHRAN, Chairman.

THERE are evidences that some of the Goebel papers are suppressing parts of the testimony in the Powers trial. Anything that is favorable to the defendant is carefully eliminated. This is a "part of the play" for votes at the coming fall election.

GEEWHIZZ! Uncle Sam has at last woke up and is looking after the wholesale naturalization of the paupers and Anarchists that flow into this country. A few days ago Mr. C. A. C. VANDEUSEN, a Special Inspector of the Department of Justice at Washington, called on the Probate Court at Cincinnati; and the result of his visit is that the 25,212 naturalization papers issued by that Court since TOM CAMPBELL burned the Courthouse in 1884 are declared null and void. The Inspector called for all the papers issued since 1853, but all prior to 1884 had been burned with the Courthouse. Now, if since 1884 there have been 25,212 "irregular" naturalizations in such a conservative city as Cincinnati, where the foreign-born population is only 57,961, what must it have been in Boston, with 197,129; Buffalo, with 104,252; Cleveland, with 124,631; San Francisco, with 116,885; St. Louis, with 111,356; Philadelphia, with 295,340; Chicago, with 587,112; and New York, with its 1,270,080 foreign-born residents? Uncle Sam is to be congratulated on his awakening, and every good citizen, foreign-born as well as native, will wish him God-speed in his investigations.

STRIKES come high—to the poor strikers; but the Walking Delegate must have 'em. The recent strike of the 17,000 textile workers at Lowell, Mass., has caused a loss of \$1,300,000 in wages. Just think how much "hog and hominy" that would buy!

MURDER is to be made unpopular—even in some parts of Europe. In consequence of the assassination of King ALEXANDER and Queen DRAGA and the subsequent attitude of the Servian military officers, both Russia and Austria have decided to send home all the Servian officers studying in their military schools. Russia has forbidden her officers to have either official or social intercourse with Servian officers.

FRANK CECIL, the new "star" witness who was called in to convict CALER POWERS of conspiring to kill GOEBEL, on cross-examination testified thus—

He said he was present at a meeting, the object of which was to discuss the bringing of more mountaineers to Frankfort. A man named BURTON held up a cartridge and said, "This is the only thing that will settle the business." POWERS, who was presiding, was the only man present to take any exception to the remark. He said, "If there is any talk like that I'll resign." He said POWERS appealed to him to assist him in keeping the mountaineers sober. Upon being asked, "Did you enter into any arrangement with the defendant or any one else to bring about the death of WILLIAM GOEBEL?" he replied "No."

To a man up a tree that looks like pretty strong testimony as to the innocence of POWERS; but it may be depended upon that that solidly Democratic Jury will convict him all right.

THE country is occasionally indebted to an honest Democrat for a solid chunk of truth, delivered with convincing force. Judge JERE MORTON, one of the staunchest Democrats of Central Kentucky, in opening the Caleb Powers trial at Georgetown last week, speaking of the conditions prevailing at Frankfort when GOEBEL was shot, made this remarkably strong statement—

"Of course, the Republicans felt intensely and may have spoken unguardedly. They knew that by the election law in force the Democrats held the cards, and dealt the cards, and marked the cards."

And, the Judge might have added, they knew further, that GOEBEL and his gang having stolen the nomination from fellow Democrats in the Music Hall Convention, they would not hesitate to steal the offices from the Republicans. Which they did.

Not Over-Wise.
There is an old allegorical picture of a girl scared at a grasshopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by J. Jas. Wood & Son, Druggists.

About 17,000 operatives were involved in the Lowell (Mass.) textile strike, which has cost in wages about \$1,300,000.

A request will be made by President Gompers to the Western Federation of Miners asking them to reaffiliate with the A. F. of L.

A woman giving the name of Applestein, upon being brought before a Police Magistrate in New York charged with vagrancy, as a professional beggar, was found to have bank deposits of \$1,600 and \$75 in currency.

HOME NEWS.

Of Interest to Everyone in Maysville.

In every newspaper in the country you will read statements made by people living in out-of-the-way places who are supposed to have been cured or derived great benefit from some wonderful remedy or "cure-all." But here in Maysville we only publish statements made by Maysville people—the testimony of your friends neighbors and fellow townsmen. Mrs. Pierce, Mills of 922 Forest avenue says:

"The experience Mr. Mills had with Doan's Kidney Pills gave him a high appreciation of their value. He procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. The results obtained lead him to speak in high praise of this effective kidney remedy."

"As Ye Sow, So Shall Ye Reap!"

The Bible so states, and the Bible is truth. Some sow wild oats and reap the whirlwind; others sow good deeds and reap contentment; but nearly every one sows wheat. In Mason and adjoining counties most every wheat sower reaps contentment, because they sow wheat with a Richmond Champion Patent Double Disc Drill. Fact. If doubtful send for our testimonial book. There are over 530 farmers in this section using Richmond Champion Drills. We would like for you to see what they say. That little disc does the business. Each feed run has two discs and the wheat is delivered between them. These two discs hold all the dirt out until the wheat reaches the bottom of the furrow and then covers it from both sides. The rains beat the dirt to the wheat from both sides. The wheat is fed from both sides in growing. PROVIDENCE HELPS THOSE WHO HELP THEMSELVES. Do your part by seeding as common sense teaches you is best and leave the results to Providence. Look at a CHAMPION DRILL and see if it is a common sense way of seeding.

WE ARE FISHING

For your wagon trade. You will want a new wagon to haul off that wheat and house that tobacco, and we earnestly ask you to look at the wagon made by Mr. Fish. We sell the only farm wagon made by men named Fish, and are sincere in saying to you that we honestly believe that the genuine Fish Bros.' Farm Wagon is the very best one made. FISH BROS. NEVER FISH FOR SUCKERS, but they leave unpainted the underneath side of all axles, hounds and coupling poles so that you may see what kind of wood you are buying. If it is a good thing it is on a Fish Bros.' Wagon. Their long experience has added many beneficial patents until today there are more exclusive good things upon Fish Bros.' Wagons than upon all others combined. We earnestly ask you to look at a Fish Bros.' Wagon.

IMPRESSIVE SERVICES.

Funeral of Mr. Edward J. Slattery Yesterday at St. Patrick's.

The funeral rites over the remains of the late Edward J. Slattery were held yesterday morning at St. Patrick's Church.

Members of the congregation, officials of the city and county, friends of the deceased, without regard to creed or clan, filled the auditorium to overflowing, attesting the universal esteem in which the late official was held.

Mass was celebrated by the Rev. Father Jerome of the Passionist Monastery, Mt. Adams, Cincinnati; after which the Rev. Father Jones, Pastor of St. Patrick's, delivered a touching eulogy, reciting the work and worth of Mr. Slattery, and pointing the fact that the mixed character of the audience present was a tribute to the cardinal doctrine of the brotherhood of man.

The cortege that followed the remains to the Cemetery at Washington was the largest that has been seen in many years.
